### Wedul Becomes Microsoft Dynamics Certified Technology Specialist

**Bismarck, ND** - Jeff Wedul, Programmer for DFC Consultants, has achieved the status of a Microsoft Dynamics Certified Technology Specialist. In order to achieve this status, Wedul had to complete in-depth testing on Microsoft Dynamics products. The certification exam measures ability to understand and articulate how to install and deploy Microsoft Dynamics CRM including planning the installation, installing Microsoft Dynamics CRM Server, installing and deploying the Microsoft Dynamics CRM Email Router, installing and deploying the Microsoft Dynamics CRM Client for Microsoft Office Outlook, configuring Microsoft Dynamics CRM, and upgrading to and redeploying Microsoft Dynamics CRM.

Wedul is based out of the Bismarck office and works with customers on custom programming, installations and support of Microsoft Dynamics CRM, GP and DFC Property Management. He has worked with DFC Consultants for three years and has a degree from University of Mary in Math and Computer Science.

DFC Consultants is a Microsoft Gold Certified Partner specializing in Microsoft Dynamics GP, CRM and DFC Property Management software. Since 1989, DFC has been providing software solutions, training, accounting services and custom programming in our offices in Fargo, Bismarck and Dickinson, North Dakota.
