

Fargo's First Kryterion Testing Center Opens

Fargo has added its first Kryterion Testing Center offering thousands of proctored tests for industries such as IT, Professional and Trade Associations, Healthcare, Education, Government and more. The Kryterion Testing Center is located at and monitored by DFC Consultants. The only other Kryterion Testing Center in North Dakota is located in Minot.

The testing site offers a convenient location for professionals to earn certifications or students to complete exams for online classes. Testing is available on Thursdays.

DFC's Fargo office is also home to a Pearson Vue Testing center that has been in operation since 2015. Pearson Vue tests are available Monday through Wednesday.
