DFC Consultants Joins the Pearson Vue Network to Offer Certification Exams

Fargo, ND – DFC Consultants has been accredited as a Pearson VUE testing center where candidates can achieve certification in the industry's leading IT programs such as: Microsoft, Cisco, Oracle and Adobe. Pearson VUE is the sole exam delivery provider for Microsoft certifications.

DFC Consultant's testing center is the only site in the Fargo-Moorhead area and offers thousands of tests applicable to businesses, boards and organizations. Technical and professional certifications help to elevate skill level and advance professional careers and salaries.

"We are excited to become a Pearson VUE testing center. There are numerous businesses in the Red River Valley sending employees hundreds of miles to take certification exams only offered at Pearson VUE testing sites. Having a testing center here in Fargo will make certification exams more convenient and cost effective," said Carol Rogne, President of DFC Consultants.

The testing site offers streamlined exam appointment scheduling and final score reports delivered immediately after each test. Testing is available Monday through Friday.

"We are pleased to welcome DFC Consultants to the global network of Pearson VUE testing sites. Together, we are giving more and more candidates the opportunity to obtain certificates that make a difference and advance careers," said Ray Murray, vice president of Development at Pearson VUE Business.

The number of tests that Pearson VUE offers is near 10 million.
